

# FOUNDATION RECOGNITION

DOES YOUR WORKSITE  
QUALIFY  
FOR  
RECOGNITION?

- ✓ Does your worksite wellness committee have diverse representation (e.g., a cross-section of departments, levels of management, levels of interest in wellness)?
- ✓ Does your worksite wellness committee develop annual goals and objectives for worksite wellness?
- ✓ Does your worksite use data to guide your worksite wellness initiative?
- ✓ Does your worksite wellness initiative have support (such as leading by example and/or encouraging involvement in healthy activities) from executives/ upper management and middle management?
- ✓ Does your worksite wellness committee have the authority to modify or make recommendations to modify worksite policies to better promote health?
- ✓ Does your worksite wellness committee have the capacity to improve health at the worksite?
- ✓ Has at least one of your wellness committee members participated in a WorkWell KS Foundation workshop?
