

TOBACCO RECOGNITION

DOES YOUR WORKSITE
QUALIFY
FOR
RECOGNITION?

-  Does your worksite post signs that display the international "no smoking" symbol?
-  Does your worksite inform employees about available services and resources for tobacco cessation, coverage for tobacco cessation treatment (counseling and medication), the worksite's tobacco-free policy, the consequences of policy non-compliance, how the policy is enforced, or how to report violations?
-  Does your worksite's benefit plan include at least one benefit design strategy (e.g., premium reductions) to encourage employees to be tobacco-free?
-  Does your worksite have tobacco free policy and prohibit the use of electronic nicotine devices : (Must apply to at least TWO of the following)
 - On all onsite areas
 - On all offsite areas (e.g., satellite offices, other campuses)
 - On all worksite property (e.g., company vehicles, parking lots)
 - During work hours?
-  Has at least one of your worksite wellness committee members participated in a WorkWell KS Tobacco workshop?
