

The Strategic Framework - A Refresher + Technical Assistance

- **What does our worksite wellness foundation look like? Take a look at the components of the foundation in the graphic. (What are our strengths? Where can we improve?)**

- **What are our goals in terms of worksite wellness?**

- **Are we utilizing multiple strategies from the WorkWell KS framework to accomplish our goals? Look again at the strategic framework. (Are our efforts focused/comprehensive? Are we doing too many things that are not connected?)**

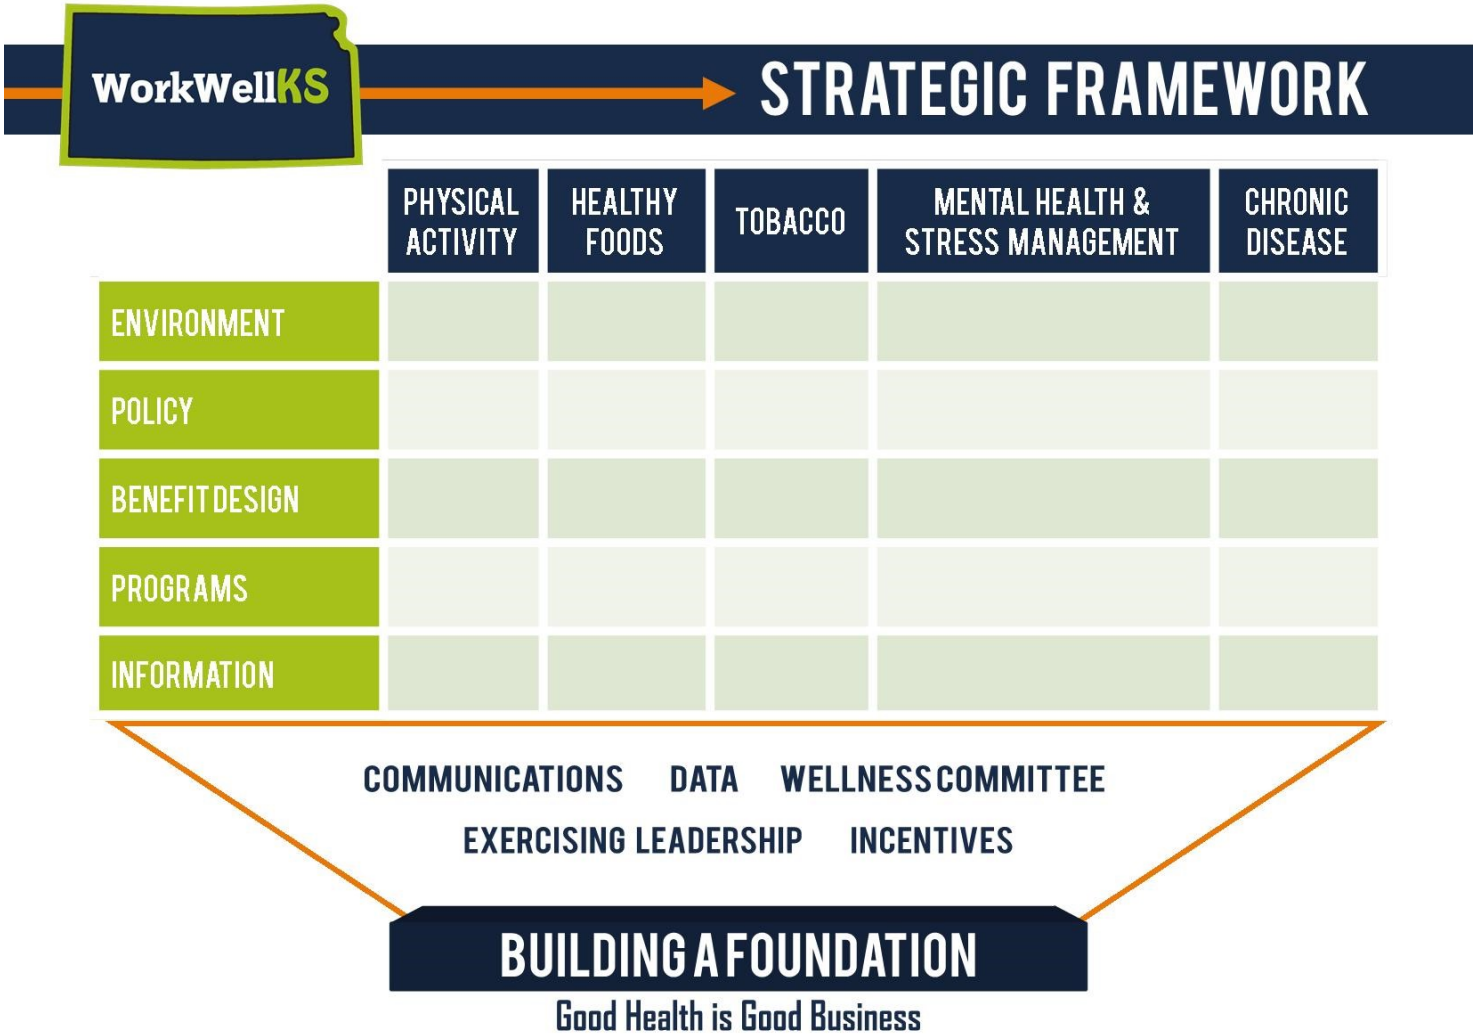

- **Could we benefit from re-connecting with WorkWell KS? (What method(s) of technical assistance would be beneficial? Workshops, email, phone call, webinars, other)**

 **Visit the WorkWell KS website for more information**

We are constantly updating our website to reflect the most recent information about additional resources available to worksites participating in the initiative and working to improve the health of their employees.
